

Community Exchange World Café  
November 20, 2017  
Presented in memory of Steve McQuaid  
By the Community Foundation of PEI

## ANNOUNCEMENT

The family of Steve McQuaid and the Community Foundation of PEI are proud to announce the Community Exchange World Café in honor of Stephen J McQuaid. This event will continue Steve's efforts to support community groups and strengthen Island communities. It is offered at no cost to participants.

This World Café style event is open to **staff and volunteers** of Island **community groups and not-for-profits**. The evening will include snacks and refreshments, door prizes, and lots of networking. It will be held **November 20, 2017 from 5:00 - 7:30 PM** at Jack Blanchard Hall on Pond Street in Charlottetown.

It will provide participants with the opportunity to:

- Share ideas, interests, and resources
- Build connections with other Island community groups
- Discuss issues and opportunities facing Island community groups

After the opening reception, participants will move from table to table discussing topics such as:

- Board governance and leadership
- Volunteer development
- Effective strategic planning
- Fundraising and fund development
- Financial and risk management
- Communication, marketing, and media
- Achieving impact with limited resources
- How Island community groups can work together

In addition to the learning and networking for participants, the discussions will help us plan a one-day training and capacity-building event for Island community groups to be held in 2018. The 2018 event will be funded by the 'Steve McQuaid Memorial Endowment Fund,' which is hosted by the Community Foundation of PEI.

**This event is offered at no cost to participants but you must register to attend.** More than 1 person from a community group may attend but each person must register separately. To register as an individual, please visit:
