The Community Foundation of PEI Announces over \$75,000 in Scholarships & Community Grants

Through the generosity of our donors' endowment funds, the Community Foundation of PEI is able to provide annual grants and scholarships on their behalf. After the spring intake of applications, the Foundation is thrilled to announce over \$75,000 in Scholarships and Community Grants.

"As COVID-19 continues to impact so many people in our community, the Foundation is proud to be able to provide much needed support to many students and community organizations", says CFPEI President Jonathan Ross. "This challenging time is a great example of why endowment planning is so important and ensures that we can continue to grant these much-needed funds in perpetuity" he added.

COMMUNITY GRANTS

Each year, through the generosity of various donors, the Community Foundation of PEI (CFPEI) is able to provide community grants for various causes throughout the Island. The Community Grants program helps make PEI an even greater place to live for everyone by attempting to strengthen all parts of the charitable sector and/or engaging citizens in building their communities. The list of 30 community grant recipients for 2020 is outlined below.
